June 2024

## Teviot Road works to start

The Teviot Road upgrade aims to address traffic congestion and improve safety in the area. The upgrades will take place in stages.

Here are the key features of the upgrades:

- › Teviot Road will be widened to 4 lanes (2 lanes in each direction), between Greenbank Road and the Middle Road roundabout, to help accommodate increased traffic flow due to the State Government's Greater Flagstone Priority Development Area (PDA).
- › Safer intersections with new traffic lights at Greenbank Road, Leanne Court and Stoney Camp Road.
- › A larger 2-lane roundabout at the intersection of Teviot Road and Middle Road, to enhance traffic flow and safety at this critical junction.
- › Pub Lane will be widened to 4 lanes (2 lanes in each direction) between Teviot Road and the Greenbank Shopping Centre roundabout.
- › Walking and bike riding facilities to improve facilities for pedestrians and cyclists, promoting active transportation and enhancing connectivity in the area.

If you'd like more detailed information, you can refer to the official Logan City Council webpage.

## Division 11 Sporting Spotlight

In each of my Councillor newsletters, I will showcase a sporting group for community awareness. This month's spotlight is on Park Ridge Active Riding Group, commonly referred to as PRARG.

PRARG will soon have an all-weather opportunity to show and hold their competitions, as the new \$520,000 covered arena is now a reality for Skerman Park.

The sun and weatherproof facility will be jointly funded by the Queensland Government's Minor Infrastructure Program and Logan City Council, including \$50,000 from the Division 11 Local Infrastructure Program.

This will be a huge boost for PRARG to conduct further high-level competitions that attract horses and riders with

international standings right here at PRARG, right here in Logan.

The club has a proud local history spanning more than 40 years, and it's a credit to the hard-working committee that has liaised with myself and other levels of government to achieve the club's improvement goals.

PRARG members participate in clinics and competitions for dressage, show jumping and hacking at Skerman Park, which is located on Olson Road, North Maclean.

PRARG membership is open to riders aged 14 and older. For more information, contact PRARG.

## Connect with your Councillor

I try to provide residents with as many opportunities as I can for them to connect with me and discuss Council related matters.

Every month, I have a series of mobile offices spread out at different venues across the division, to provide better access for you.

Follow me on Facebook for details of when and where my mobile office will be located next.

I also offer appointments at the main Logan City Council building on Wembley Road for matters that may need more privacy.

Remember, I'm always here for you at the end of a phone call or via email.

# Anzac Day 2024

This year, on this special day, I attended Jimboomba RSL for the Dawn Service. As usual, it was a moving experience for all who attended. It was great to see so many familiar Division 11 residents attend from throughout the area.

The day before Anzac Day, the local schools also put on Anzac Day parades. The whole school attended and classes made wreaths to pay their respects at the ceremonies. I attended the 10 am Greenbank RSL Sub Branch main service and Division 11 was very well represented this year.

This included Greenbank State School, Everleigh State School, Greenbank Scouts, Greenbank Giants, Greenbank Raiders, Greenbank Rural Fire Service and so many more in attendance ... including my daughters, who proudly laid a wreath with me on behalf of Division 11. It is fantastic to see so many school children throughout our city involved and aware of the solemn significance of Anzac Day.

## Division 11 fun facts

Geographically Division 11 is the largest division in Logan, and I like to think it's the also the best. We have so much to offer, yet there is still so much to be done.

I would like to share some fun facts with you about Division 11:

- > 318 square kilometres
- > 26,925 residents (2021 ABS)
- > 13 suburbs
- > 3 primary schools
- > 1 high school
- > 115 parks and reserves
- > 332 km of sealed roads
- > 52 km of unsealed roads

I am very proud to be the Councillor for Division 11 and to be your voice within Council. If you ever need to chat or have a terrific idea or concerns you would like to share, please contact [nataliewillcocks@logan.qld.gov.au](mailto:nataliewillcocks@logan.qld.gov.au) or call 0491 743 141. Alternatively, you can catch me at a mobile office or at one of the many community events I attend. For the latest updates, please follow me on my Facebook page or Instagram.

## Mayor's message

Firstly, I'd like to say a big thank you to everyone who voted in the recent local government elections.

I feel incredibly humbled to be chosen as Mayor of the youngest, most diverse and fastest-growing city in Queensland. If you ask me, it's also the greatest city, and I know I'm not the only one who feels that way.

Our community spirit is what sets us apart, and it is why people who live in Logan love it. Businesses are seeing our potential and more people want to make Logan their home.

My pledge to you is that I will talk up our success stories and promote our amazing community. I want to change our reputation from what it's always been, to what we know it can be. To make that happen, I will fight for our city to get the investment it needs.

Recently Council announced we're trialling a new method of encouraging grass growth at one of our parks, using recycled textiles. Supporting local businesses to explore new ideas is a priority for Council, especially when those ideas help reduce waste heading to landfill or create new revenue streams.

We're also building a second Olympic-sized pool for the city due to open next year. Logan residents have told me loud and clear they want to stay active and spend time with their families – and I'm proud we are delivering that. These are just a couple of ways we are transforming Logan to better serve our growing communities.

To find out more about upcoming projects, please stay in touch with your local Councillor and me on our social media accounts, and on the Logan City Council website.

I'm looking forward to an amazing 4 years as your Mayor.

**Mayor Jon Raven**  
City of Logan

## If you see it, report it

 **3412 3412**

- A pothole
- A branch or tree down
- A footpath issue
- A lighting issue
- A street sign issue
- A parks issue
- Deceased animal
- Graffiti
